THE ORGANIZATION OF THE NATIONAL COUNCIL.

I. THE PLAN OF ORGANIZATION.

In the revision of the Constitution of the Council at its meeting in 1913, three important additions were made to the statement of its purpose. Not only is the Council, as before, to foster and express the substantial unity of the Congregational churches and consult upon the common interests of all the churches, but it is also (1) to "devise measures and maintain agencies for the promotion of their common interests; (2) to cooperate with any corporation or body under control of or affiliated with the Congregational churches or any of them; and (3) to do and promote the work of the Congregational churches of the United States in their national, international, and interdenominational relations.

Accordingly, at this same meeting the organization of the Council was changed in order to give effect to this enlargement and restatement of purpose. The existing committees were coordinated, new committees were established, and the duties of all were more clearly defined. To avoid confusion, permanent committees were usually given the name of "Commissions."

The Moderator, in addition to the duty of presiding at the sessions of the Council, has the representative function "of visiting and addressing churches and associations upon their invitation and of representing the Congregational churches in the wider relations of Christian fellowship so far as he may be able and disposed." He is *ex officio* a member of the Executive Committee, and of the Board of Ministerial Relief, and by virtue of his position is chairman of the Congregational delegation in the Federal Council.

The Secretary, in addition to the duty of keeping the Council records, conducting its correspondence and editing its publications, is also instructed to "aid the committees and commissions of the Council" and to "be available for advice and help in matters of polity and constructive organization." Like the Moderator, he may represent the Council and the churches in interdenominational relations. He is, *ex officio*, Secretary of the Commission on Missions, and of the Executive Committee, and a member of the Board of Ministerial Relief. He is also a member of the Federal Council.

The Executive Committee is in general charge of the work of the Council. Specifically it (1) acts for the Council between sessions, (2) supervises its finances, (3) fills vacancies in all offices or commissions (except the Commission on Missions), (4) prepares the program for the meetings of the Council.

The Corporation is the legal entity of the Council and the custodian of its invested funds, except those devoted to Ministerial Relief. It is authorized to receive and hold property that may be conveyed to it in trust or otherwise for the benefit of Congregational churches or of any Congregational church.

The Nominating Committee, consisting of nine members, serves from the close of one stated meeting till the close of the following stated meeting. Its members are elected in classes.

The Commission on Missions. In its new constitution the Council recognizes the following organizations as the national representatives of the Congregational churches in doing missionary work, viz., the American Board of Commissioners for Foreign Missions and the cooperating Woman's Boards of Missions, the Congregational Home Missionary Society, the American Missionary Association, the Congregational Education Society, the Congregational Church Building Society, the Congregational Sunday-School and Publishing Society, the Congregational Board of Ministerial Relief, and the Woman's Home Missionary Federation. It provides a plan by which the members of the National Council may become, with the addition of a specified number of persons, the voting membership of each Society (except the woman's organizations). It also provides for the appointment of a Commission on Missions consisting of twenty-four persons (nine nominated by the Societies) charged with the duty of advising these societies as to organization, methods and policies, and of recommending to the Council such action in the field of missions as commends itself to the judgment of the Commission. The administration of the Apportionment Plan is also one of its duties.

The Commission on Social Service is entrusted with the direction of " the activities of our churches in dealing with social problems in city and in country, including those in the rural church and community, in municipal and industrial conditions, and in the work of charities and corrections." It succeeds to the work of the Congregational Brotherhood in promoting men's organizations in the churches.

The Commission on Evangelism. To this Commission is committed the task of leading the churches in their fundamental duty of winning disciples.

The Commission on Moral and Religious Education is charged with forwarding the nurture and training of the children and youth of the Congregational churches, through the Sunday schools and Young People's societies and in schools and colleges.

The Commission on Federation, Comity and Unity and the Delegates to the Federal Council, together constitute the agency of the Council in promoting closer relations and securing greater cooperation with other denominations and in furthering the cause of Christian union throughout the nation and the world.

Temperance and Public Worship. These commissions discharge such duties as indicated by their names.

THE CORPORATION FOR THE NATIONAL COUNCIL.

The Corporation was formed in 1909 pursuant to a resolution of the National Council. It secured a charter from the legislature of the State of Connecticut. The powers granted are described in this charter as follows:

The object of said corporation is to do and promote charitable and Christian work for the advancement of the general interests and purposes of the Congregational churches of this country, and to receive, hold and administer, in trust or otherwise, funds and property for the use of said National Council, or of churches of the Congregational order, or of any particular church of said order; and all in accordance with resolutions and declarations made from time to time by the National Council of the Congregational Churches of the United States, or by any body which may succeed to the functions of said council; and said corporation may cooperate with any other corporation or body which is under the charge and control of churches of the Congregational order in the United States, or churches at the time affiliated with said order. Said corporation may acquire by purchase, gift, devise, or otherwise, and hold and dispose of real and personal property for the purposes of its creation and may make any contracts for promoting its objects and purposes not inconsistent with law.

The members of this Corporation, seventeen in number, are chosen by the National Council for a six years' term, except the Moderator and Secretary who are members only during their terms of service in the Council. The present membership of the Corporation is as follows: Simeon E. Baldwin, E. M. Bassett, Henry M. Beardsley, William H. Catlin, William B. Cogswell, Alfred Coit, Geo. L. Dunham, J. Converse Gray, F. G. Harwood, Hubert C. Herring, J. R. Libby, Thomas C. MacMillan, William M. Parsons, Epaphroditus Peck, John H. Perry, H. Edward Thurston, E. K. Warren.

The Corporation holds \$3,115.00 of funds belonging to the National Council the income of which is paid to the Executive Committee of the Council to be used for denominational purposes.

It will be seen that under its Charter the Corporation is empowered to receive and administer funds for any Congregational interest local or general. Its members being chosen by the national body are directly representative of the churches, while at the same time its compact organization enables it to care for moneys entrusted to it with business-like efficiency.

Correspondence is invited from any who desire to entrust their gifts to this permanent and legally incorporated body.

The prolonging of the war through 1915 brought added encroachments on the work of the American Board and increased the burden which its officers and missionaries have had to carry. In many parts of Turkey the work came almost to a standstill; buildings were seized; property destroyed; teachers, students and even entire communities were exterminated. The suffering and distress became widespread; efforts at relief were in many cases blocked. It was a year of horror.

Through the extension of the war into the Balkans, the mission in those lands was also disturbed, though with no such terrible persecution. The outlook in the Levant is dark as the year closes.

Austria, well nigh crushed with the load of her militarism, has tested the faith and endurance of the missionaries at Prague. But through much privation, interruption and the decimating of their churches they have seen the deepening of the religious spirit and report many cases of conversion, even among the soldiers in the trenches. Dark and light contend in their sky.

In the mission fields of the farther East 1915 was notably a year of evangelistic advance. In Japan, China, India and to some extent in Africa, carefully planned and extensive campaigns of evangelism were conducted with unprecedented results. All the missions are busy in following up these undertakings. The outlook is very bright.

For the fifth successive year the receipts of the Board have passed the million dollar mark — the total this year being \$1,101,570.47, the largest sum received in any year of the Board's history. All current expenses were met and the small balance of \$362.48 was applied to reducing the debt of \$8,405.22. In response to an effort begun at the annual meeting in New Haven, this entire debt is being wiped out. Receipts for the first three months of the Board's new fiscal year show increases from last year. Here too the outlook is bright.

OBJECTS.

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

FINANCIAL.

During the year the debt on the Congregational House has been reduced by \$10,000, bringing it down to \$80,000. It is a matter for wonder that our Association is almost always left out of the scope of testamentary bequests. Surely there could not be a more stable and permanent investment, or one that should more commend itself to those who have the best interests of Congregationalism at heart, than a legacy whose income would be a perpetual endowment for each and all of our missionary societies. Although the property is worth several times the amount of the mortgage, it would be far more productive for Christian work if it could be used more fully for the purposes of the Association. Every contributor to our missionary societies is directly interested in the cancellation of this debt. The Association exists for the benefit of these societies, and of the Congregational Library. The average annual rental of the Congregational House, after deducting fixed charges, amounts to above \$10,000; the interest on the mortgage last year was \$4,150. If the debt were paid, the appropriations to all the missionary societies could be largely increased.

THE LIBRARY.

The foresight of our fathers in beginning to save and store here all material bearing on "the religious history and literature of New England" is abundantly vindicated, on the one hand, by the growing scarcity of such documents, and on the other hand by the constant use of those which have been obtained. Daily pilgrimages are made hither for the ecclesiastical and statistical material which will prove more useful still as time goes on. It is too often forgotten, amid the crowd of appeals that seem more pressing, that by taking a very little pains now, the clerks or pastors of all our local churches can win the deep gratitude of those who are coming after us.

We have no Carnegie to give us a princely endowment, but in this enterprise a little care and painstaking are even more welcome than gifts of money.

FIELD

extends from the Atlantic Coast to the Hawaiian Islands, and from Porto Rico to Alaska. It includes in the South, the Negroes and the Whites, both in the mountains and the lowlands; in the West, the Indians; on the Pacific Coast, the Chinese, Japanese and Hindus; in Alaska, the Eskimos; and in Porto Rico and Hawaii, those of various races.

PURPOSE AND METHOD.

The American Missionary Association is training leaders for these different races. This involves an

INDUSTRIAL LEADERSHIP.

The Association years ago introduced into its schools Industrial Training. All our principal schools now give this training. The aim is not simply to instruct the few in handicrafts, but to give to the many an intelligent and efficient industrial leadership within their own race, which shall encourage industrial activity and lead to economic development.

AN INTELLECTUAL LEADERSHIP

is also furnished through the colleges and higher institutions. No race can be lifted by the means of Industrial Training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for. In its normal schools hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of any people.

MORAL AND RELIGIOUS LEADERSHIP.

Departments of Biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building and religious instruction are everywhere a part of school training. High moral standards can be met only by a well-trained moral and religious leadership.

EDUCATIONAL WORK

includes normal, theological, college, academic, and grade teaching, with instruction in manual training, domestic science, mechanical arts, and agriculture. There are five chartered institutions for colored students as follows: Fisk University, Talladega College, Tougaloo College, Straight College and Tillotson College. Piedmont College and Atlanta Theological Seminary gather a considerable body of white students. There are also secondary and elementary schools to the number of 53. The total enrollment in all the institutions of the American Missionary Association last year was 11,600.

CHURCH WORK.

The value of Congregational churches in the field occupied by the American Missionary Association cannot be measured by the number of these churches. Missions are established which often do not grow into organized ecclesiastical bodies. This is especially true among the Mountaineers and the Indians. These missions, however, are of large value in bringing the influence and light of the gospel into darkened and neglected communities. Many of the Congregational churches maintain these missions in their vicinage and so multiply their work. Our high ideals of church life maintained by these Congregational churches render somewhat slow the progress of their organization. This is true especially where there is an inadequate intelligence and leadership. An emphasis of the dignity and sacredness of church membership is thus impressed.

Among the Negroes there is an increasing expression of the ambition and desire for expansion and growth. These evidences of progress in the church work are encouraging.

LITERATURE.

Interesting leaflets representing the work of the American Missionary Association can be secured at any time by sending to one of the offices.

The American Missionary magazine is published monthly, representing the work of the several home missionary societies. The subscription price is *fifty* cents per year.

STATISTICAL REPORT FOR YEAR ENDING MARCH 31, 1915.

The Congregational Home Missionary Society carried on work during the year in twenty-seven states and territories, and the constituent state societies in eighteen more. The number of missionaries under commission for the whole or part of the year was 1,774. They cared for 2,345 churches and preaching stations. Connected with these churches were 2,265 Sunday schools.

Of these churches and missions 415 held services in foreign tongues; German, Swedish, Dano-Norwegian, Bohemian, Italian, French, Spanish, Welsh, Finnish, Armenian, Albanian, Bulgarian, Persian, Slovak, Swede-Finn, Greek, Portuguese, Syrian, Indian, Polish, Turkish, — twenty-one in all. The largest foreign work was carried on among the German people, 104 churches and missions using that language in their service.

During the year 83 new churches were organized, 70 new church buildings were erected, and 27 parsonages were built.

The number of churches coming to self-support was 51 which was 11 less than last year.

Departments.

There are two main divisions in the activities of this society, administered in five departments as follows:

I. *Sunday school Planting and Promotion*, through the Missionary and Extension, and the Educational Departments.

II. *Publishing and Selling*, through the Editorial Department and the Business Department.

MISSIONARY AND EXTENSION DEPARTMENT.

Its time-honored work is the planting and strengthening of Sunday schools in all parts of our country. This department derives its income from the gifts of the churches, Sunday schools, and individuals. Since 1882 it has organized 13,089 Sunday schools, from which over 1,700 churches have grown.

Since 1883 *all moneys* contributed to the society by churches and individuals have gone to this work, and in addition to sums so contributed, the Business Department has given over \$100,000 in cash.

EDUCATIONAL DEPARTMENT.

The Educational Department suggests educational standards and lesson courses, makes plans for the training of teachers, promotes the coordinating of educational agencies within the churches and without, and renders direct assistance through the publications of the Society, and through the members of its own staff.

EDITORIAL DEPARTMENT.

The Editorial Department creates the materials of religious education; among these are included all Sunday school lessons and weekly papers, all helps and courses of study for teachers, and all pamphlets and leaflets dealing with education.

THE CONGREGATIONALIST AND CHRISTIAN WORLD DEPARTMENT.

This paper, the oldest religious journal in the country, now in its one-hundredth year, and the only national paper owned by Congregationalists, has been the property of this Society, and conducted by it for the entire denomination, for fifteen years. It is the indispensable medium of information and influence among our churches and leaders.

BUSINESS DEPARTMENT.

The Business Department, under the trade name of "The Pilgrim Press," has an entirely separate treasury. It publishes *The Congregationalist* and *Christian World*, the *Wellspring*, *Pilgrim Teacher*, International Uniform and Graded Sunday School Lessons, Sunday school and church supplies, and conducts two book-selling establishments in Boston and Chicago. It does not appeal for funds of any description. Its profits, so far as they are not essential to a necessary increase of its capital, are appropriated for the benefit of the denomination.

THE WOMAN'S BOARDS OF MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois, and California, respectively. Each cooperates with the American Board and assumes the support of a part of the work under the care of the American Board. They collect money through Branches, Auxiliaries, and Mission Circles, and support missionaries as teachers, evangelists, doctors, and nurses. Their missionaries receive appointment from the Prudential Committee of the American Board, and are enrolled as its missionaries. Although the funds of the Boards are forwarded to the mission field through the treasury of the American Board, all the money has been previously designated by the Woman's Boards, each of which has its specific work to be supported out of its own funds. The women, girls, and children of the churches are the constituency upon whom rests the responsibility of providing these funds.

This Federation is the only national organization existing among Congregational women. The constitution in part is as follows:

OBJECT. — Its object shall be to secure the cooperation of all state bodies of women who labor in any organized way for the advancement of home missionary work in connection with Congregational churches.

MEMBERSHIP. — All state organizations of women connected with Congregational churches, seeking to promote home missionary work, shall be eligible to membership in the Federation.

MEETING. — The Executive Committee shall decide on the time and place of the annual meeting, which shall be held, whenever it seems desirable, in connection with the annual meeting of one of the national societies.

The Federation is made up of thirty-four women's state unions. It is the hope and purpose of the Federation to unify the Home Missionary work of the Congregational women of the United States and to raise \$300,000 for the work of the Homeland Societies. For purposes of economy this money is disbursed by the thirty-four state treasurers directly to the six homeland societies, following as closely as possible the percentages of the apportionment plan.

The Federation has representation on the National Apportionment Commission, the Congregational Home Missionary Society, the A. M. A., and the joint Board of Directors of the Education Society and Sunday School Society. It is now recognized in all denominational literature and plans as one of the national societies.

The American Missionary is the official organ of the Federation.

OTHER SOCIETIES.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

610 Congregational House, Boston.

Directors. — WATSON L. PHILLIPS, D.D., Chairman; SYLVANUS G. MORSE, Treasurer; Prof. CALVIN M. CLARK, D.D.; Rev. FREDERICK E. EMRICH, D.D.; GEORGE F. KENDALL; Rev. FRANK W. MERRICK, D.D.; Rev. GEORGE S. MILLS; Rev. D. AUGUSTINE NEWTON; Rev. EDWARD N. PACKARD, D.D.; OSCAR A. PHELPS; FREDERICK G. PLATT; IRWIN W. TAPLEY; Rev. W. B. TUTHILL; W. J. VAN PATTEN; APPLETON P. WILLIAMS.

Secretary. — Rev. ARTHUR J. COVELL.

This Board is maintained and controlled by the Connecticut, Maine, Massachusetts and Vermont Conferences of Congregational Churches. It is an advisory agency in aiding pastoral settlements. Its rule is to make recommendations to a church only in response to direct official request. It is the servant of the churches, and is entirely responsible to them.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement whenever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches upon request, supplying the pulpit and meeting the committee of the church.

The Secretary also visits the theological seminaries, that he may, so far as possible, know personally the men of the senior classes who are ready for settlement. And as far as desired, and other duties permit, he speaks before associations of churches and ministerial unions in the interests of the work for which the Board stands.

The work of the office is large and increasing. We have carefully recorded statements concerning more than half of all the Congregational ministers in the country. The churches served by us are most largely in the New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of Connecticut, Maine, Massachusetts and Vermont, through the treasuries of the State Conferences. Fees are charged, however, to ministers for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of Connecticut, Maine, Massachusetts and Vermont. Within the four states named, there is no settlement fee. No charge is made to churches anywhere. But churches outside of the four cooperating states have often assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

BOSTON SEAMAN'S FRIEND SOCIETY.

Office: Room 601, Congregational House, Boston.

ORGANIZED in 1827 by a body of Congregational ministers and laymen in Dr. Lyman Beecher's church, the basement of which was at that time the home of the American Board. Incorporated in 1829.

President. — SAMUEL USHER. *Secretary.* — CHARLES F. STRATTON.

Vice-President. — FRANKLIN P. SHUMWAY. *Treasurer.* — CHARLES F. STRATTON.

Board of Managers. — The officers above named and Luke W. Fowle, Charles W. Wrightington, William A. Paine, Edward B. Wilder, Albert Murdock, George F. Kendall, Herbert J. Keith, John Gordon, Sylvanus G. Morse.

Corresponding Secretary. — Rev. MERRITT A. FARREN.

Object. — This Society is devoted to the material, moral, and spiritual welfare of seamen. It aims to promote temperance, thrift, morality, and religion among a class of men whose privations and hardships, temptations and perils, are extreme, and who at the same time respond to helpful moral and religious influences more readily than any other class of men. It also undertakes to provide these men with social entertainment and relieve their wants when shipwrecked and destitute.

Scope. — This work is not local. It has to be done where seamen are, at large commercial centers like Boston, or on great thoroughfares of commerce, like Vineyard Sound. The work is necessarily prosecuted at points on the coast, but it cares for sailor boys who have come from every state in the Union.

Every year naval recruiting parties cover a large part of our country with their operations, and enlist young men for sea service from every state in the Union. To these lads, separated from the influences of home, church, and Sunday school, our Bethels and reading-rooms, with their varied entertainments, furnish a safe and cheerful resort free from the temptations of the saloon.

The work is not only for sailors from every part of our land, but for men of every race and nation. These men are followed by correspondence to all parts of the world; so that while this work has its center upon our coasts, its circumference includes all seas and shores where sailors may be found.

Methods. — The work is not simply preaching to sailors, but a large and varied ministry to all the wants of seamen. Good reading is supplied to men remote from books and news stands. Entertainments, concerts, and sailors' suppers are given for the social side of the sailor's life; the earnings of men are received and placed on deposit, with interest; invalids in naval or marine hospitals are visited with cheer and comfort. The temperance pledge plays an important part, a dozen or more sailors often signing at a time. Power launches are maintained to minister to the wants of Jack afloat as well as ashore. Attractive singing is provided, not only in our Bethels, but at the navy yard and in hospitals, and sailors afloat are regaled with gospel songs that touch the heart, sung by young people on board our harbor launch. Food, clothing, and shelter are supplied to men shipwrecked and destitute at all seasons, especially in the rigors of winter. Large numbers of these unfortunates are cared for every year.

Results. — Many men have been led to save their earnings, an aggregate of many thousands of dollars. Hundreds of men have been helped and befriended in time of dire distress. Many thousands have had a cheery and homelike place of resort in reading-rooms, fitted up with games as well as with books and magazines. All this is additional to the regular evangelistic work of the Society, which is unsurpassed in its way.

But the most noteworthy results of the work are of that intangible kind, affecting the heart and life, which cannot be tabulated. In our Sailor's Rest and Chapel, 287 Hanover St., Boston, there are religious meetings Wednesday, Friday, and Sunday evenings, and there have been seasons when from November to May there was rarely a meeting without requests for prayer. At our Vineyard Haven Bethel there are conversions every month, nearly every week in the year, and in the last eight years sixteen hundred sailors have united in a bond of Christian fellowship known as the "Hold Fast," and with these men the Chaplain is in constant correspondence. The spiritual value of the work accomplished is beyond all estimate.

Needs. — The Society needs an annual contribution from every church, Sunday school, and Endeavor Society. It greatly needs at this time special gifts from favored donors, amounting to at least \$7,000, to meet the balance of expense for changes and improvements in our Sailor's Rest at 287 Hanover St., by which two thirds of that fine building have been made available for Bethel work instead of one third, as heretofore. It needs to have its revenues supplemented by an occasional bequest from generous patrons whose living gifts may fail us. It needs the sympathy and prayers of all who care for the sailor's welfare and have any sense of the great debt we owe to the much-neglected men of the sea.

FORM OF BEQUEST.

I give and bequeath to the Boston Seaman's Friend Society the sum of \$ to be applied to the charitable uses and purposes of said Society.

COURSE OF STUDY. — The primary aim of the Seminary is to prepare men for the practical work of the ministry. The regular course of study, covering three years, and leading to the degree of Bachelor of Divinity, is built upon the fundamental subjects of the Bible, the History of the Church, Christian Theology, Homiletics, and Pastoral Care. There is a considerable range of electives, and these are supplemented by many allied courses in Harvard University, open to Andover students. The region around Boston offers rich opportunities for the study of churches and church methods, and of various other agencies for social betterment.

DEGREE. — The degree of Bachelor of Divinity is conferred upon students who satisfactorily complete the three years' course of study, provided they already hold a college degree.

FACULTY.

E. LYMAN HOOD, M.A., PH.D., President, and Professor of Church History.
ALVAN F. SHERRILL, B.A., D.D., Dean, and Professor Homiletics.
FRANK R. SHIPMAN, B.A., B.D., Professor Religious Education.
JAMES W. BIXLER, M.A., D.D., Professor Biblical Theology.
FRANK T. LEE, B.A., D.D., Extension Professor in the Field.

The Seminary aims (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The regular theological course embraces three years of study. At its completion the degree of B.D. or B.B.L. is given. Candidates entering upon this course must have a college course or its equivalent. The English theological course is designed to meet the needs of many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. The third course is the Correspondence, for home study. It is given to meet the needs of pastors who are so situated that they cannot leave their work to attend the Seminary. The fourth is also for non-resident students, and is designed especially for the graduates of this and other seminaries, who desire to continue, under experienced leadership, systematic study. To all non-resident students books are sent, lessons are assigned, and examinations are given.

The Extension Department takes the Seminary to the homes, churches, schools, associations and conferences of our people throughout the South.

The books of our library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

TERMS OF ADMISSION. — Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES. — No charge is made for tuition or room rent. Board can be obtained for \$2.50 and upward per week. A limited amount of student aid is given to worthy men. All active young men can find employment in the city that will help them to pay necessary expenses. Preaching and missionary work in connection with the prosecution of studies are possible.

OTHER LECTURERS.

- Rev. HENRY L. GRIFFIN, D.D., of Bangor, on Comparative Religion.

The sole purpose of Bangor Theological Seminary is to train men and women to become preachers, pastors and teachers, and missionaries. Its primary and all the supplementary means of instruction seek this one end. It is open to Christians of any denomination.

It offers to college graduates and to those who have received equivalent discipline the opportunity to gain a thorough, modern, practical, ministerial training, and makes it possible for good students who are thus qualified to complete in three years the studies required for the degree of Bachelor of Divinity.

At the same time it makes provision for those who are belated in beginning their ministerial preparation and who have not had the privilege of the usual full and unbroken academic training. The studies are adapted to their needs, with the hope that they will be able, in a somewhat longer time, to cover the full course. A considerable experience has shown that there are many earnest young laymen in our churches whose early studies, practical experience and natural gifts qualify them to prosecute successfully theological studies. They often become most able and efficient ministers.

Attention is called to the Seminary's Library of about 30,000 volumes, well selected and steadily growing; to its fine gymnasium under a competent physical director; to Convocation Week, with its group of eminent lecturers and its gathering on this occasion from northern New England of a great company of working ministers.

Because of the adoption of the cooperative plan in the boarding-house, the necessary expenses of the student may be kept within very moderate bounds.

The Seminary year extends usually from the last Wednesday in September to the first Wednesday in June.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to the Corresponding Secretary, Prof. WARREN J. MOULTON.

THE CHICAGO THEOLOGICAL SEMINARY.

Chartered 1855.

Last September the Seminary began work in affiliation with the University of Chicago. Temporarily the university provides class rooms and administration offices, and dormitories for students.

LOCATION. — In July, 1916, the Seminary acquires a property which can become headquarters at once, and which permits of enlargement to meet its physical needs. It is bounded on two sides by university grounds, and is four minutes walk from the University Library and the Divinity buildings. It is ten minutes from either one of two large parks. Lake Michigan is fifteen minutes away. The location is all that can be desired.

EDUCATIONAL AND SOCIAL ADVANTAGES. — The Seminary Faculty remains unchanged. Students have the advantages also of the University Library and courses of instruction. This plan gives unexcelled opportunities for general theological study, and for special training in such branches of work as religious education, missions, and social service. The visits to the university of the leading thinkers of the day, and the contact with a student body gathered from various parts of the world, afford a wide range of interests.

FINANCES. — Furnished rooms cost from \$8.00 to \$12.00 a quarter. Board is \$3.00 a week and upwards. Tuition is free. There is a small incidental fee. Funds not to exceed \$200 annually are available for approved students.

DEGREES. — Regular students (who must have a standard college degree) become candidates for the degree of D.B. in course. The degrees of A.M., and of Ph.D., may be secured from the University in accordance with its general regulations.

THE SUMMER QUARTER. — The Seminary has added the Summer Quarter to its school year. This is the University plan, and so a full list of courses is maintained. Three benefits follow from this program. One may take his course without interruption, completing it in two and a third calendar years. Again, ministers may come to the Seminary for study during the time when church work is not pressing. Finally, the college requirement is waived during this quarter, thus enabling the minister who lacks foundation training to get uninterrupted study amidst congenial surroundings. The Summer Quarter is divided into two terms, either of which may be taken without the other.

THE CORRESPONDENCE SCHOOL. — By a three-years' program of correspondence work from September to June, and residence work during the Summer Quarter, a minister who has had only a high school course may get a balanced theological training without serious interruption to his pastorate, and at about one-third the expense of a regular course. THE SEMINARY aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service; (2) to train in scientific methods of exegetical and historical research; (3) to discover and teach the truth of God as revealed in the Scriptures and the leading of his Spirit in history, and its application to the present needs of the world; (4) to equip students practically for the Christian ministry in its various forms.

THE CURRICULUM is arranged in accordance with a system of Grouped Electives, thus offering either a balanced course or one rather closely specialized. It is also fitted to University students prepared to acquire advanced standing. The degree of Bachelor of Divinity is given for completion of the course with special credit and presentation of an approved thesis.

THE KENNEDY SCHOOL OF MISSIONS provides opportunity for thorough study of missionary theory and methods, and numerous languages.

THE HARTFORD SCHOOL OF RELIGIOUS PEDAGOGY, supplies an invaluable supplement to the instruction in this department.

GRADUATE STUDY is strongly encouraged. The degrees of S.T.M. and PH.D. are given under carefully defined conditions. Two fellowships are offered in the undergraduate department, each for two years of foreign study; and two of \$500 each for one year of post-graduate work in residence.

THE APPARATUS includes a library of 105,000 volumes (excluding duplicates), museum, reading-room, gymnasium, music-room, etc.

TERMS OF ADMISSION. — Candidates for admission must be members of some Christian church and graduates of some college, except in special cases. Those who are not college graduates can be admitted only after examination and on probation. All courses are open to women on the same terms as to men.

EXPENSES. — No charge is made for tuition, rooms, furniture, and bedding except a nominal fee of \$25 for use of steam and for supervision. Board is provided under the care of the Students' Association, at about \$4.00 per week.

Scholarship aid is provided for those needing it, varying in amount according to scholarly rank.

CALENDAR. — The eighty-second year closes June 1, 1916 and the next session begins Sept. 27.

OBERLIN SEMINARY is a professional school strictly for college graduates in training for Christian Leadership: in the Ministry of the Churches, Social Service in city or country, Young Women's or Young Men's Christian Association work at home or abroad, Christian Teaching, or Foreign Missionary service.

From the beginning free from sectarian control and creedal limitations, the Seminary stands for the unprejudiced search for the truth, for the culture of Christian character and experience, and the development of efficient Christian leadership.

EQUIPMENT. — The Finney Memorial Chapel (1908); the Carnegie Library (1908), with 158,000 bound volumes; the Warner Gymnasium (enlarged 1912); Council Hall, with suites of rooms for 60 students; and the Men's Building (1911), social center for all men's interests. *

TERMS OF ADMISSION. — College graduation and church membership *required*. No discrimination has ever been made against sect, sex, race, or color. This year the sixty-four regular theological students represent 14 Christian denominations and came from 51 institutions of higher education, and 29 states and foreign countries. These figures do not include the 9 students in the Oberlin Slavic Department.

DEGREES IN COURSE. — The degree of *Bachelor of Divinity* is granted at the completion of the three-years' theological course, including 90 semester hours of work, nearly one half of which is elective, chosen from a broad range of courses. The degree of *Master of Arts* may be earned by one year of graduate study in college, seminary, or both. The advanced degree of *Master of Divinity* (S.T.M.) is granted after a fourth year of theological study completed with high credit.

SPECIAL ASSETS. — Close affiliation with a great cosmopolitan college, sharing its university privileges, its enthusiasm of numbers, its scholarly standards and fine Christian ideals. A unique center of broad missionary interests and the largest Student Volunteer band in the country. Unusual musical advantages of a great college of music. A rare social opportunity, with broad influence as chaplains in numerous college boarding halls. Very moderate expenses and ample opportunity for self-support. The usual scholarships and prizes.

For illustrated catalogue and further information address the Junior Dean.

The Faculty is further strengthened by cooperation with Pres. CLAIBORNE MILTON HILL, D.D., and faculty of the Pacific Coast Baptist Seminary; and Pres. EARL MORSE WILBUR, M.A., D.D., and faculty of the Unitarian Divinity School.

Also, from the University of California, GEORGE MALCOLM STRATON, PH.D., Professor of Psychology; CHARLES MILLS GAYLEY, LITT.D., LL.D., Professor of the English Language and Literature; CHAUNCEY W. WELLS, A.B., Associate Professor of English Composition and Rhetoric; ALEXIS F. PEIXOTTO, PH.D., Associate Professor of Sociology; WILLIAM POPPER, PH.D., Associate Professor of Semitic Languages and Literatures; CHAS. RIEBER, PH.D., Professor of Logic.

The Seminary is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open, without cost, to the Seminary students. Courses by the eight professors of the University above named have been incorporated in the Seminary curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 290,000 volumes) and the special library of the Seminary (13,000 volumes) afford large opportunities for special study. Instruction in medicine can be had in the Medical School of the University, and better preparation in the languages of China and Japan can be had under Professor Fryer than in the Orient itself. The climate is remarkably even, constantly cool, stimulating and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry. The usual courses in Exegetical, Historical, Systematic, and Practical Theology are provided. The prescribed courses, about two thirds of the whole, are arranged to cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. Eighty units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew and Greek are not required for the degree of B.D., but unusual facilities are furnished for acquiring them. The University of California has established an excellent course in modern charities.

THE SEMINARY is open to students of every Christian denomination, to women as well as to men. A college degree is required for admission to regular standing as a candidate for the B.D. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

Regarding expenses and pecuniary aid, and for further information, address President NASH.

THE NEXT YEAR BEGINS Aug. 21, 1916.

MAINTENANCE AND RELATION TO TALLADEGA COLLEGE. — Talladega Theological Seminary is the one Theological Seminary maintained by the A.M.A. for the training of Negro ministers. It is a coordinate department of Talladega College; and by a system of cross-credits, students can take college and Seminary degrees in six years. Similar work in the colleges of the same rank as Talladega is accepted in the Seminary.

AIMS. — The Seminary stands for character, scholarship, and service. It aims to develop leadership among a great and needy people, through long and severe training under competent guidance.

COURSES OF STUDY. — The Seminary maintains two distinct courses of study — the Theological and the Bible Institute. Courses are offered in Social Service Practice, Community Methods, Rural Economics, Music, Religious Education, and Sunday school Methods. Emphasis is given to the study of the English Bible, pursued in a reverent spirit and according to modern historical methods.

REQUIREMENTS FOR ADMISSION AND GRADUATION. — For the Theological Course, the four years of college are desirable. As this is not in all cases feasible, men having two years of college work are accepted upon completion of the course the degree of B.D. is given. Two years of Greek are offered to all who have had two years of preparatory Greek. For admission to the Bible Institute Course, the student should have completed the eighth grade, and when the course is finished, he receives a certificate. The Seminary offers a correspondence course to non-resident pastors.

EQUIPMENT AND GENERAL ADVANTAGES. — The Seminary is housed in a commodious building, equipped with steam heat, electric lights, and a shower bath. Students have the advantage of the college and Seminary library, of college classes and student societies. All denominations are received on equal terms.

EXPENSES. — Tuition and rooms are free. Students pay for board, laundry and incidental fees. The bare necessities are not less than \$115 a year. There are opportunities for self-help, and some student funds are available under certain conditions for those whose scholarship is satisfactory.

For further information, address Dean FRANK S. BREWER,

Graduates of colleges of recognized standing, holding a Bachelor's degree, and others who show by certificate or by examination that they have received the substantial equivalent of a college training, may be admitted as candidates for the degree of B.D., which is conferred by the Yale Corporation after a three years' course, entitling the recipients to enrollment among the Alumni of the University.

COURSES OF STUDY. — The studies are grouped in five departments, each leading to the degree of B.D. These departments are those of (1) Pastoral Service, designed to train for the ministry of the churches; (2) Missionary Service; (3) Religious Education, for the preparation of teachers of the Bible in Colleges and other advanced posts of Christian teaching; (4) Social Service, for training in practical philanthropy based on sound economic and sociological principles; (5) History and Philosophy of Religion (leading also to the degrees of M.A., or Ph.D.).

GRADUATE OF FOURTH-YEAR CLASS. — Students of approved scholarship, who have completed a three-years' course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in theology are pursued.

OPPORTUNITIES FOR SELF-HELP. — The scholarship funds of the school are used to create opportunities through which the students may receive training for their future work. The average amount of time spent is six hours per week, for which the scholarship grant is \$125. Prize scholarships of \$100 and \$50 are also offered to students of high rank in scholarship.

TERM OF STUDY. — The next year will begin on Thursday, Sept. 28, 1916.

APPLICATION FOR ADMISSION. — The condition of admission is a liberal education at some college or university. Catalogues and forms of application for admission may be obtained by addressing the DEAN, Yale Station, New Haven, Conn.

ANNUAL STATISTICS OF CHURCHES AND MINISTERS.

The following pages contain the statistics as collected in 1915 by the statistical secretaries of the several state organizations, and compiled for this publication under vote of the Executive Committee of the National Council. They are all of date Jan. 1, 1916, except that changes in pastorates are, as far as possible, brought down to date.

RULES OF COMPILATION.

1. To arrange everything in alphabetical order as far as possible.
2. To make *new tables* each year. When a church has failed to report, items of church membership are inserted. This is done that the approximate membership figures of churches not reporting may be included in the summaries and comparative tables thus minimizing the possibility of the real progress of the churches being unfairly diminished by failure of churches to report.
3. To verify all tables, making any necessary corrections in the effort to compile complete and accurate summaries.
4. The first name in the list of churches is usually the name of the *place* (town or city), in which the meeting-house is located. This is also the name of its post-office, unless followed by a name in **heavy-faced type**. In such cases the latter is the post-office and **THIS EMPHATIC TYPE IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES**. If this postal word is an adjective, it goes with the preceding name, *e.g.*, "Newton **West**;" if itself a name, it supersedes the other, as "Newton, **Auburndale**."

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since Jan. 1; not included in the summary, but inserted for information.
2. Pastors installed by council are marked "i.," and pastors recognized by council are marked "r.;" others in service are not marked, but are considered pastors, except where otherwise distinguished. Blanks in the column of pastoral supply, indicate *no* regularly engaged minister.
3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS; for addresses refer to The General Alphabetical List of Ministers in the back of the book.
4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year of beginning service with that church.

5. A star (*) in the Alphabetical List of Ministers denotes that the person so designated is not now reported to be a member of *any* association or conference of ministers or churches in the United States. A dagger (†) indicates that the address has not been verified. If the name of any Congregational minister is missing it is because he has not been reported by any State registrar for two years. See explanatory note at head of list of Ordained Congregational Ministers in back of book.

6. Lists of licentiates, ministers of other denominations, and pastors' assistants will be found after the general alphabetical list which includes only Congregational ministers.

7. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations Di., L., R., respectively. It should be borne in mind that in the tables, "R." includes Discipline and Roll Revision. In the General Summaries the letter "R." is used, and includes Revision and Discipline. Under "Sunday Schools," "h" signifies Home Department, and "m," a Mission School connected with the Sunday school of the church. Under "Men's Organizations," "x" means men's organizations exclusively; "z" boys' organizations exclusively. In all other cases "Men's" and "Boys'" are together.

LIST OF ORDAINED CONGREGATIONAL MINISTERS

THE following is a compilation of the alphabetical lists furnished by the State Registrars and corrected by correspondence to the latest possible date. Only ordained Congregational ministers are included in this list. Licentiates, others serving Congregational churches and pastors' assistants are found in subsequent lists.

Figures following a name indicate page or pages on which it is found. Ordination date is given when not found on another page.

A star (*) before a name indicates that the person is not now reported to be a member of any Association or Conference of ministers or churches in the United States. Action taken by the Council of 1915 contemplates the omission from future lists of all names not thus reported. It appears, however, desirable to retain such names for a period of two years in order to give opportunity for correction of errors.

A dagger (†) indicates that the address has not been verified.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher; *bus.*, business.

LIST OF LICENTIATES REPORTED.

This list contains the names of licentiates reported, with references to the pages where any such are mentioned as supplying churches.

The list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. The post-office addresses are often delusive, the place being that of temporary service only. Names followed by state only are of persons approved in the state mentioned, no residence being reported. The list is incomplete, because some states make no full report of licentiates.

CONGREGATIONAL CHURCH ASSISTANTS.

In a growing number of churches specially trained but unordained men and women are engaged to supplement the work of the pastor or pastors. This service is rendered under a variety of titles and in varied fields. Some are directors of religious education, some church secretaries, some parish visitors, some have a combination of two or more functions. It appears likely that there will be a growing demand for workers of this sort as the churches enlarge their conception of the task resting upon them and as they come to perceive the central place of a sound program of religious education in the church's life.

A Congregational League of Church Assistants was organized in October with Miss Agnes M. Taylor of the Chicago Training School as president and Miss Eleanor W. Nichols, 14 Beacon St., Boston, Mass., as secretary and treasurer. This League endeavors to be of service to those who are seeking training and to bring together churches and workers. Inasmuch as very few of the existing body of such workers are men, membership in the League is confined to women.

The following list contains all paid church assistants reported Jan. 1, 1916, irrespective of their membership in the League.

The Pilgrim Tercentenary Program

1916 - 1920

The three hundredth anniversary of the landing of the Pilgrims at Plymouth Rock, December twenty-first, sixteen hundred twenty, will commemorate an event of profound significance in the political and religious life of America.

The early churches established by the Pilgrims constitute the beginnings of Congregationalism in America. It is therefore fitting that all the churches of our order today, remembering our spiritual inheritance, should observe this anniversary in a manner worthy of the ideals and purposes of our Pilgrim Fathers.

In accordance with instructions from our National Council, the Commission on Missions submits to the churches of our fellowship a program for our accomplishment in these five commemorative years ending December thirty-first, nineteen hundred twenty, as follows:

First, That this commemorative period be marked by an intelligent study and setting forth of those political and religious convictions which brought the Pilgrims to America.

Second, That during this period our churches undertake to add to their fellowship not less than half a million members.

In accomplishing this it is expected that wise and effective use will be made of all the well-proven agencies of evangelism and Christian nurture, especial attention being directed to the Sunday School.

Third, That large numbers of our young people of character and ability be led to commit themselves definitely to a life work of Chris-

tian leadership through the ministry or other forms of distinctly Christian calling.

The obligation of our churches and missionary societies to provide fields of service, significant in opportunity and free from needless denominational competition, with adequate salaries and reasonable provision for disability and the needs of old age, is recognized as an essential part of this appeal.

Fourth, That before December thirty-first, nineteen hundred twenty, the churches of our fellowship attain an annual rate of giving, from living donors, through our missionary agencies, of not less than the full two million dollars contemplated by the apportionment plan.

Fifth, That as a memorial of the Pilgrims there be established a great permanent fund to be subscribed before December thirty-first, nineteen hundred twenty.

The Commission on Missions will recommend to the National Council of nineteen hundred seventeen, for final decision, the amount of this memorial fund and also the objects to be benefited by its income.

The Commission on Missions, in sending forth to the churches this program of great hope, does so with the conviction that these are decisive days for the Kingdom of God as for the kingdoms of this world, and that the spirit of sacrifice which is being so lavishly shown by this generation for material and political ends should not fail of expression in forms adapted to promote the spiritual interests of men and the ultimate establishment of world-wide justice, peace, and brotherhood.

The Commission on Missions,

HENRY CHURCHILL KING, *Chairman.*

HUBERT C. HERRING, *Secretary.*
